Excerpt: .to, so that there shall be a cross, like this: After this, the game proceeds as in the ordinary block or draw game. When the double-nine set is used, there must be eight ends open for play before proceeding further, like this: Pool Game Any number from 3 to 6 form a pool and draw dominoes for the privilege of the first set. The dominoes are then shuffled, and each player takes as many as will leave eight in the bone-yard. The player who won the set leads anything he pleases, and each player in turn to his left must follow suit to one end or the other. There are no open ends of doublets to play to. When a player cannot follow suit, he says go. The first to make domino wins the pool. If no one makes domino and the game is...
