Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

ATLAS OF SEXUAL VIOLENCE (HARDBACK)

Elsevier - Health Sciences Division, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. The ideal clinical companion for evaluating and documenting sexual violence, Atlas of Sexual Violence reflects the field's most up-to-date research and clinical practice. It reviews current practices for providing patient care to adolescent and adult victims of sexual violence, and uses diverse photographs to show variances related to race and age. Coverage of wound identification and terminology helps in accurate interpretation, documentation, and courtroom testimony. From the International Association of Forensic Nurses (IAFN) and Tara Henry, a nationally known forensic nursing expert, this book is a durable, portable guide suitable for anyone who deals with cases of suspected sexual assault, including health care providers, social workers, attorneys, and law enforcement personnel. More than 250 full-color images of normal and abnormal findings assist in determining causation and accurate identification, interpretation, and documentation of injuries. Critical information related to clinical practice is highlighted throughout the text. Interpretation of anogenital findings is simplified with coverage of normal anatomy and physiology of the mouth, genitalia, anus, and rectum, as well as anogenital variances not attributable to trauma. Unique! Postmortem Sexual Assault Examinations chapter includes the details and photos of this specific examination. Photo legends note proper identification and descriptive terminology of injuries, disease, and normal variances. Key Terms are highlighted and defined, making it easier for healthcare providers, law enforcement, and legal professionals to use accurate medical forensic terminology for documentation and courtroom testimony.
