Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What did you eat today? 6 maggots and 4 insect heads We have all heard the Urban Legends of bugs in our food. Of course we nervously laugh it off. What if I told you it was true.would you believe me? Probably not. In this book you will find proof. Not my personal proof but proof from the United States Government and the reasoning of why there is rat hair, maggots and other things in your food supply and why it is OK. In this book you will find that the government has set limits on acceptable levels of maggots in and rat hair in your favorite food and so much more. Included is direct links to the government documentation that allows this to happen.
