

Pocket Tutor Renal Medicine (Paperback)

By David Oliveira, Debasish Banerjee, Joyce Popoola

JP Medical Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Titles in the Pocket Tutor series give practical guidance on subjects that medical students and foundation doctors need help with on the go , at a highly affordable price that puts them within reach of those rotating through modular courses or working on attachment. *Common investigations (ECG, imaging, etc) *Clinical skills (patient examination, etc.) *Clinical specialties that students perceive as too small to merit a textbook (psychiatry, renal medicine) Key Points *Breaks down a subject that students find complex and daunting, using clear images and concise but informative text *Logical, sequential content: relevant basic science; then chapters devoted to common disorders that introduce the clinical essentials of renal practice *Descriptions of common disorders are enhanced by Clinical Scenarios (Patient presents with.), which help students and trainees to recognise and manage common presenting problems.

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

-- **Prof. Buddy Leuschke**

A top quality ebook and the font used was fascinating to read through. It is writter in easy terms and not confusing. Its been written in an remarkably easy way in fact it is simply after i finished reading through this publication through which actually altered me, alter the way i believe.
