Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Have you tried to get your children to help out around the house? Do you stress out over the state of their messy rooms? Do your children ignore your carefully crafted chore chart? Is it easier for you to just do the job yourself? Do your children view helping out around the house as punishment? If you answered yes to any of these, then, *Beyond the Chore Chart: Chores, Kids, and the Secret to a Happy Mom* is just for you! When it comes to books on chores, we moms need something that would go beyond just hanging up an age appropriate chore chart up on the wall, and assuming everyone would catch on and start helping out. There s a process to getting your helpers to really help you out, and in this book I share my own tricks of the trade, getting your little helpers to become big helpers! Learn the secret to getting your kids to help you with household chores, without yelling at your kids. Why training your children step by step to do each job prevents frustration for you and them. How to teach your children, at different ages, to help with chores. Ways to make helping around the house fun. .and more!.
