Reviews

It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

SLEEPING WITH THE ENTITY

Griffin Publishing. Paperback. Book Condition: new. BRAND NEW, Sleeping with the Entity, Cat Devon, Don't miss the next sexy installment in the entity series, Love Your Entity, coming January 2014! Meet Daniella Delaney. She's all ready to open her shop, Heavenly Cupcakes, in one of Chicago's sleepier districts. But she's having a hard time convincing the local business association--namely Nick St. George--that she's a good addition to the neighborhood. Daniella hopes that her famous red velvet cupcakes will be enough to melt any man's heart. But Nick is no ordinary man. "He's got fangs." As leader of the Vamptown clan, Nick has no intention of letting Daniella breathe new life into his old haunts. But something about her leaves Nick hungry "for more." He can't control her mind like other humans, a trait that makes Daniella irresistible. Could it be that, for the first time in centuries, Nick has met his match? Love is always a force to be reckoned with. But can this vampire have his cake and eat it too?"
