How to Save Money by Planning Your Own Wedding Be Your Own Wedding Planner and Save Money! Nowadays, its almost assumed that the happy couple will have a professional wedding planner take charge of the details of the event. But not so long ago, there wasnt any such thing as a wedding planner, and the bride and her mother made it all happen. While a wedding planner can be a great help, you dont need one. In fact, there are many benefits to acting as your own wedding planner, one of the biggest being the amount of money you can potentially save. There are two main reasons why couples looking to save money should plan their wedding on their own. Planning your own wedding. There are, however, alternatives to this traditional type of reception. If youre looking to cut costs or just want to do something a little bit different from the norm, think about one of the following fun reception alternatives. They include: . . When planning a wedding, one surprise expense for couples is that they have to pay for the wedding locale, whether it is a church, temple, hotel, or even outdoor park. For those couples looking to curtail costs wherever they can, getting married at a location without exorbitant rental fees and catering costs is one way to do so. Fortunately there are plenty of great options, here they are. . . How to Save Money by Planning Your Own Wedding! Weddings mark the beginning of a couples new life together. At one time, it wasnt out of the ordinary for a couple or the brides parents to spend almost their entire savings on...
