## Ancient Boats in North-West Europe: Archaeology of Water Transport to AD 1500

By Sean McGrail

Taylor Francis Ltd, United Kingdom, 1998. Paperback. Book Condition: New. Revised ed.. 247 x 192 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.At last a paperback edition of this standard work on marine archaeology. Sean McGrail's study received exceptional critical acclaim when it was first published in hardback in 1987 and it is now revised and published in paperback for the first time. Professor McGrail provides an authoritative survey of water transport across Northern Europe from the Late Palaeolithic to the later Middle Ages, using evidence of excavations, but also documentary sources, iconographic and ethnographic evidence. In the process he answers such key questions as How were these boats built? What sort of environment were they used in? What speeds could they achieve? and how were they navigated?.

### Reviews

*This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.*
