Sinclair, a well-known local historian and the author, is the true story of what happened to an otherwise well-meaning father of five children who had the misfortune to discover his private life written bold across the headlines of the local and UK national press highlighting lurid tales that described him as the loving father who tried to sell his daughter, lysha. If it is printed in black and white it must be true. Or is it? In an age of cynicism and public media savvy, we seem to know the answer but we still ask the question: Is it true what the papers say? At one time or another we have all pondered this question but generally take as verbatim what is said in the press. Until, of course, it directly concerns us! At such times the state of shock makes us the better judge when we discover a misrepresentation of our private life exposed before the...
