He designed them to support, to create, to love, and to oversee. From personality to purpose, not one is the same. Like microorganisms too tiny to see with the naked eye, so too are the intricacies of a woman s nature, value and destiny. By taking a closer peek under God s magnifying lens that amplifies who she is and who she will become, one will find clarity despite past hurt or current uncertainty. Microscopic Me cracks open the egg, exposes the yoke, scrambles through one s life and serves up the change needed for tomorrow morning. Overall, women are taken on a journey of self-discovery and purpose through Jesus Christ.
