Brand New Book ***** Print on Demand *****.The lessons in My Spiritual Resume: Will It Get Me To Heaven, are designed to help the reader to prepare in this appointed time to be ready to stand before Almighty God at the Judgment, and be in Good Standing. This document is deliberately filled with questions-deep, probing, opened-ended questions. These soul-searching questions are designed to arouse the thought process, forcing one to answer with more than a mere yes or no. To answer these questions, the reader will be required to search the scriptures, along with his/her heart, to identify a true relationship with God. If you desire to read for pleasure or entertainment, this is not the book. My Spiritual Resume: Will It Get Me To Heaven is designed to create a spiritual interaction between God, others, and yourself. It forces you to examine every aspect of your life in reference to God s standards, be it work, leisure or pleasure. This message will create the desire to develop a closer walk with God, or it will drive you further into obscurity. It will cut into your daily living activities and thought processes. My Spiritual Resume: Will It Get Me Into Heaven, is designed to be a three-way mirror that not only allows you to look into your present, future and also allows a retrospective view of your past. It is my hope that as you read this book, your walk with God will become closer and your vision clearer. I believe that once you read the book, you will be willing to share it with others that they, too, may see the light.
