Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Tabletop Academy Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Math Your Kids WANT to Do. You ll love these math games because they give your child a strong foundation for mathematical success. By playing these games, you strengthen your child s intuitive understanding of numbers and build problem-solving strategies. Mastering a math game can be hard work. But kids do it willingly because it s fun. Math You Can Play Combo features two books in one, with 42 kid-tested games that offer a variety of challenges for preschool and school-age learners. Chapters include: Early Counting: Practice subitizing-recognizing small numbers of items at a glance-and learn the number symbols. Childhood Classics: Traditional folk games invite the whole family to enjoy playing with math. Number Bonds: Build a mental picture of the relationships between numbers as you begin to explore addition. Numbers to One Hundred: Develop mental math skills for working with larger numbers. Practice using place value, addition, and subtraction. Mixed Operations: Give mental muscles a workout with games that require number skills and logical thinking. Logic and Probability: Logic games sharpen inductive and deductive thinking skills, while games of chance build an intuition for probability. Math games prevent math anxiety. Games pump up your child s mental muscle, reduce the fear of failure, and generate a positive attitude toward mathematics. Parents can use these games to enjoy quality time with your children. Classroom teachers like them as warm-ups and learning center activities or for a relaxing review day at the end of a term. If you are a tutor or homeschooler, make games a regular feature in your lesson plans to build your students math skills. So what are you waiting for? Clear off a table, grab a deck of cards, and...
