Econo-Clad Books, Div. of American Cos., Inc., United States, 2001. Hardback. Condition: New. Bound for Schools Libraries ed.. Language: English . Brand New Book. Lumpy humans, anthromorphized animals, and quirky humor: All the hallmarks of Gary Larson s comic genius are on display in this book praised by the Denver Post as satiric, biting, edgy, and witty. It begins beneath the forest floor, when, during a typical repast, a young whiny worm discovers a hair in his dirt and goes on to complain about his life in general. Father worm, trying to quell his son s anger, then tells him a tale about a nature-loving woman and her unforgettable walk in the woods. A novel take on the difference between our idealized view of nature and the harsh reality of life for the birds, bees (and worms), There s a Hair in My Dirt is Larson at his off-kilter best.
