

Japs: British Views on Japan During the Second World War (Paperback)

By Army Bureau of Current Affairs

Books Ulster, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.FROM THE FOREWORD This publication is a compilation of articles originally published by the (British) Army Bureau of Current Affairs between 1942 and 1945. ABCA was created by the Army Council to brief officers for talks to their men on war topics and to provide them with informative background on varied aspects of the war. Its Current Affairs and War series provided the basis for debate within groups of service personnel. The articles have been reproduced in chronological order of publication, but do not necessarily need to be read in that order. The Japanese Way and How About Japan?, although they come chronologically later, provide an excellent overview of the history, religion, industry and society of Japan, how it came to be at war with China and the West, and its ultimate objectives. Other articles focus specifically on the Burma campaign, the Philippines, and Guadalcanal, in the latter of which (Be mean, and kill em) there is a series of contributions from US servicemen on their experiences in fighting the Japanese. These were designed primarily as tips to British soldiers yet to...
