

What Size are God's Shoes?: Kids, Chaos, and the Spiritual Life (Paperback)

By Timothy E. Schenck

Continuum International Publishing Group Ltd., United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It's hard to have a God complex when your kids expect you to play garbage truck every night. This is the game where I lie on the floor as the boys stuff trucks, action figures, and plastic dinosaurs into my shirt. When the garbage truck is full to the point of overflowing, I go to the town dump by standing up. This is repeated ad nauseum. On any given day, I might find myself absolving sins in the name of the Church one moment and serving the cause of waste management the next. Do you believe God can be found in both the miraculous and the mundane? Through 40 insightful and engaging essays, Tim Schenck helps us encounter God through the chaos of everyday life. The divine presence weaves its way into a family room fish tank, a child's probing questions, the town pool, and the drive-thru window of the local fast food chain.
