The Kingdom Algorithm: How to Apply the Bible to Your Life

By Dr Gary T Cage

Charlotte House Publishers, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book solves the problem of how to decide which passages in the Bible apply to modern Christians today. Bible readers are aware that the scriptures contain instructions for proper diet, clothing, personal grooming, animal sacrifice, government officials, marriage, child rearing, money, slavery, church organization, tithing, religious rituals and many, many other things. As has often been noted, the commandments of the Bible are bewilderingly complex, sometimes impracticable, and even inconsistent. Realizing this problem, quite a few have recently attempted to wind their way through the maze of biblical teachings in an effort to provide Bible followers with an approach which is simple and effective. But what has been lacking is an algorithm for doing just that. In The Kingdom Algorithm, How To Apply the Bible To Your Life, Cage and Orr begin by setting out the problem in full and giving a summary of proffered solutions. Finding none that works well, the authors offer their own. What is needed, they think, is an algorithm. An algorithm is a recursive method for determing a solution, such...
