DAW BOOKS, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Before last summer, I was just a normal grad student from California, but then I went to Europe to track down my grandmother s family and my life changed forever. Mistaken for Ruli, a runaway princess who, it turned out, was actually my cousin, I was drugged, abducted, and taken to Dobrenica, a tiny and very unusual little kingdom in Eastern Europe. The handsome man who kidnapped me was Alec, Ruli s fiance, the man who was slated to rule Dobrenica. Like so many things in this odd little kingdom, their marriage would have a magical component?for when certain members of two royal lines married at a particular point in time, Dobrenica vanished. The solution should have been simple, right? Find Ruli and bring her home. Except Ruli didn t want to come home. Alec and Ruli disliked each other, and to complicate matters further, Alec and I well, I ve always been a romantic at heart. In the end we all did the right thing. Brokenhearted yet resolute, I returned to America, but I just couldn t seem to forget Alec or Dobrenica. But then I learned that though Ruli and Alec had married, Dobrenica was still in our world. Still in my world. The magic had failed, and no one knew why. So back I went, but my trip became even more dangerous than it was the first time. I expected personal conflict and politics, even sword fighting. I was also prepared for Dobrenica s ever-present specters. But I was not prepared for murder, mystery, or the chillingly real presence of the undead.
