Reviews

This publication is indeed gripping and interesting. It is rally exciting throgh reading period of time. I am just happy to inform you that this is the very best publication i actually have go through during my individual existence and could be he finest pdf for ever.
(Miss Lela VonRueden)

SECOND APRIL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. To what purpose, April, do you return again? Beauty is not enough. You can no longer quiet me with the redness Of little leaves opening stickily. I know what I know. The sun is hot on my neck as I observe The spikes of the crocus. The smell of the earth is good. It is apparent that there is no death. But what does that signify? Not only under ground are the brains of men Eaten by maggots, Life in itself Is nothing, An empty cup, a flight of uncarpeted stairs. It is not enough that yearly, down this hill, April Comes like an idiot, babbling and strewing flowers.
