Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A USA Today best-selling novel Ever Montgomery suffered the ultimate betrayal by the one man who she should have been able to count on for anything. It has left her hurt, jaded, and incapable of forming relationships, but it also means that she can spot a liar a mile away. These traits are earning her a reputation as a reporter with a keen nose for a good story and a complete understanding of the extreme power of the written word. Lincoln Caldwell is the hot goalie for the New York Rangers. At 24 and a rising star, he works hard and he plays even harder. He s gorgeous and carefree - the ultimate charmer. Ladies fall at his feet and the single life has never been lived the way Linc Caldwell does it. When Ever publishes an article about Linc containing information that she received off the record, she finds herself on the receiving end of the athlete s fury. Rather than basking in the glory of exposing Linc as a shameless user of women, she finds herself at his mercy when he demands and receives retribution. Required by her editor to trail Linc for six weeks, Ever is forced to look at the real Linc Caldwell. And she just might find that she has misjudged him. **Note From Sawyer Bennett: This book is part of the Off Series but it can be heard as a standalone book. Nothing in the prior or subsequent books will diminish your understanding of this novel. This is a New Adult, Contemporary Romance.
