By Robert Joe Stout

Sunbury Press, Inc. Paperback. Condition: New. 216 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Mexico is undergoing economic and political changes that lie like landmines ready to explode beneath Uncle Sam's footsteps. By the close of the first decade of the twenty-first century Mexico-United States relations had begun to shred. The leaders of the two countries shared a master-servant facade of cooperation and commitment but faced eroding control of the economy, the flourishing drug trade and human rights issues. Despite the propaganda to the contrary every year millions of Mexicans sank into poverty, their lands expropriated and the prices of basic necessities soaring. ICE agents swept through factories, farms and construction sites from Maine to California herding handcuffed illegals into detention facilities. Both countries ignored human rights violations and corruption in order to maintain control over Mexico's pro-neoliberal administration. Violence associated with the War on Drugs took over 70,000 lives without materially diminishing the U. S. market for cocaine, marijuana and designer drugs. Brutal repression of citizen protest provoked ongoing international criticism and alienated millions of Mexican citizens. The country's dependence on oil exports to finance social programs pressured the state-controlled monopoly to cut corners, creating pipeline leaks and other...

Reviews

A brand new eBook with a brand new standpoint. It can be really fascinating through reading through time. I am happy to let you know that this is the greatest eBook I have gone through within my very own daily life and can be the best book for at any time.

-- **Leanne Cremin**

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. It's been written in a remarkably simple way and is particularly just after I finished reading through this book through which in fact transformed me, alter the way I really believe.
