Jennifer never fit the Hollywood lifestyle she endured with her actor father and social scabbling stepmother, Toni. Glitter, fake smiles and seemingly endless parties were the everyday reality until the bloody night her father was murdered. While LA police try to find the truth about her father s death, Jennifer is sent to beautiful, but shockingly different, rural, northern Vermont mountain wilderness, to live with her aunt and uncle and a wild, wonderful pack of free-range, unchained sled dogs who not only befriend and heal her in this world, but lead her into a mythic world altogether. Led by the wise queen, alpha dog, Luna, Jennifer and The Unchained Gang face powers of light and dark in both Solaria and on Earth - and with their human, canine and mythical friends of the Wisdom Runners in Solaria, begin an epic battle to keep the light from being swallowed by shadows forever. Along the way, Jennifer, and her Solarian friend, David, follow the truth of their hearts as they learn about dreams, missions and dedicating oneself to the greater good.
