

Empty Tank Empty Wallet: For Those Who Don't Own an Oil Well (Paperback)

By MR William M Ferree

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Most of us don't own an oil well. We're on the pay side of our fossil fuel economy. It's expensive. If we live in a state that doesn't produce natural gas, oil, or coal, our burden is even greater, because none of the money spent stays home. Places that produce fuel are enjoying a bonanza. High prices make production profitable from reservoirs that were thought to have no commercial value. Texas, Alaska and North Dakota enjoy a stream of money coming from the rest of us who have no choice but to pay. But maybe there is choice. In fact, it's pretty clear there are better options than continuing to burn with abandon. Electricity for transportation-electric cars-is lower cost. Making the electricity from renewable sources for all uses is lower cost than just about every alternative except perhaps natural gas at today's depressed wellhead prices. Perhaps allows for some uncertainty in assessing the destructive environmental effects of producing and burning gas. How much methane leaks is an unanswered and crucial question. Regardless, there is...
