Neuware - Research Paper from the year 2015 in the subject History - Asia, National University of Malaysia, course: History, language: English, abstract: When it's a matter of relations with Israel, the Malaysian government such as on the horns because any incident could impact the government's image in the eyes of the people. A brief review of Malaysia-Israel relations historiography reveals that while there is a large amount of literature on the negative aspects between the two countries, not much is written about the positive aspects of the past, bringing to the Look-To-Israel idea. This study will examine the extent of the Malaysian government's acceptance against Israeli involvement in this country, the sectors involved, contributing to the importance of this study because it identifies the scale and scope of the relationship between Israel and Malaysia despite the absence of diplomatic relations over the years. Answers to these questions will provide the basis for determining and understanding the level of relations between the Israeli government and the Malaysian government. 28 pp. Englisch.
