Lord of Healing (Paperback)

By Stan Abbott

Stanley R. Abbott, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Modern societies have made tremendous advances in life. Technologies are operational that were not even dreams in our recent past! We barely have our new cell phone activated, and there is already a new version available. Cyberspace has changed the world. The medical community continues to perfect surgical procedures even transplanting tissue from a cadaver into a living human. Researchers can now artificially grow stem cells for possible use as various tissues such as muscles or nerves. The breakthroughs in medicine are staggering. Although some diseases are touted as having been eradicated, other diseases such as HIV, or the new flu strains H5N1 or H7N9 surface with regularity. In Wikipedia's section on the Pharmaceutical Industry they quote IMS (Market Prognosis International) estimating the 2011 global spending on prescription drugs topped \$954 billion. Without being a cynic I believe it is safe to say infirmities, sicknesses, and diseases are going to be a part of this world as long as Satan is the . . . ruler of this world. (John 16:11). What provision does God have for His sons to be able...

Reviews

A very awesome publication with perfect and lucid information. It is probably the most awesome book i have read. You may like how the author publish this pdf.
