THE FOURTH DOCTOR ADVENTURES - 5.4 THE LEGACY OF DEATH

Big Finish Productions Ltd, United Kingdom, 2016. CD-Audio. Condition: New. Language: English . Brand New. This range of two-part audio dramas stars Tom Baker reprising his most popular role as the Fourth Doctor (from 1974 - 1981) with a number of his original TV companions. This fifth series reunites the Doctor with Romana (Lalla Ward), a fellow Time Lord for adventures across Time and Space! The Doctor, Romana and K9 have found themselves trapped in a temporal war. On Aoris, the past battles the future - and the future fights back! With both sides of the war now capable of time travel, the conflict is about to enter a deadly stage. As the pieces of history lock into place, there is little the Doctor can do. With more Time Tanks moving into combat, the endgame is approaching. The people of Aoris risk extinction at their own hand. Can even the Doctor save the same planet twice in the same day? Note: The adventure continues on from last month's Doctor Who: The Paradox Planet. This is the fifth series in a Big Finish range which is hugely popular with fans of the classic TV series Doctor Who and the pairing of the Doctor and Romana harks back to the most-watched period, one that to a generation is the most loved and iconic and which broke the records for viewers of the show. Tom Baker's portrayal of the Fourth Doctor Who still tops popularity polls today. He was a special guest in 2013's 50th anniversary story Doctor Who - The Day of the Doctor. Guest stars Simon Rouse and Tom Chadbon are not only familiar faces from a wealth of TV shows, but are firm Doctor Who fan favourites for their roles in top stories Kinda and City of Death....
