Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bible is easy to understand. It is people who make it complicated. These lessons are surveys, not in-depth studies. Despite good intentions, many people in our fast-paced world today find it difficult to find time to learn the Bible. If you are one of these, this book is for you. You will be in and out of the study in no time. The questions are easy. They go right down the line, verse by verse and you just fill in the blank. I used the New International Version (NIV) Bible. Each week is subdivided into days so you need not spend more than about ten minutes a day of learning. Remember, your best learning is done when you are studying alone. When/If you get together with others using this book, since you have already looked up all the verses I your Bible at home, I is suggested hat you go through all the answers in a timely and lively manner. But do take your Bible with you to your study group. Sometimes we miss-read a verse and get a wrong answer (in a hurry that day?) so those are the verses you will want to look up when together with your study group. For further ease in study, the group may wish to all use Bibles with the same page numbers. In that case, your group leader may wish to supply you with a list of page numbers a week ahead of time for the few scriptures referred to in other parts of the Bible. If you prefer to use a Bible you already had, book a book mark in the Table of Contents...
