Reviews

It is really an awesome pdf that I actually have actually study. It really is basic but excitement from the 50 % of the publication. I am delighted to inform you that here is the greatest book i have read through within my individual existence and can be he finest publication for actually.

(Mrs. Yasmine Crona)

QUIET NEIGHBORS (HARDBACK)

Thorndike Press, United States, 2016. Hardback. Condition: New. Large type / large print edition. Language: English . Brand New Book. A woman on the run blows the dust off a series of deadly secrets. It's the oldest bookshop in a town full of bookshops; rambling and disordered, full of treasures if you look hard. Jude found one of the treasures when she visited last summer, the high point of a miserable vacation. Now, in the depths of winter, when she has to run away, Lowell's chaotic bookshop in that backwater of a town is the safe place she runs to. Jude needs a bolt-hole; Lowell needs an assistant, and when an affordable rental is thrown in too, life begins to look up. The gravedigger's cottage isn't perfect for a woman alone, but at least she has quiet neighbors. Quiet, but not silent. The long dead and the books they left behind both have tales to tell, and the dusty rooms of the bookshop are not the haven they seem to be. Lowell's past and Jude's present are a dangerous cocktail of secrets and lies, and someone is coming to light the taper that could destroy everything. Praise: *Quiet Neighbors* drew me in from the very first page, and I stayed up late reading it because I couldn't wait to find out what happened next. That's the definition of a good book. —Charlaine Harris, #1 New York Times bestselling author McPherson writes mystery stories that are both cozy and creepy, which accounts for the quirky charm of *Quiet Neighbors*. —The New York Times Outstanding. —Publishers Weekly (starred review) Layer upon layer of deception. —Kirkus Reviews (starred review) McPherson is a master of slightly creepy narratives that are complex and character driven. —Library Journal (starred review) *Quiet Neighbors* is a real find . . . This is one...
