Involvement in sports can be an empowering and enriching experience for all children. But how can children with different learning needs and physical abilities break through barriers and stereotypes on the playing field to find acceptance and success? This comprehensive guide shows K-12 teachers and coaches how to establish, revamp, and sustain inclusive sports programs that benefit students with a wide range of special needs and challenges. Drawing on the most current research and best practices in education and social-emotional development, this book empowers readers to recognize their students unique strengths and challenges and provide appropriate encouragement and support. Teachers and coaches working in educational and community recreation settings will learn how to: create sports environments where all children thrive; assess emotional and social competence to ensure that children are ready for sports; change attitudes that inhibit participation or make a child feel excluded; promote good sportsmanship to enhance character development of children with or without disabilities; use universal design principles to teach sports to...
