Reviews

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

(Prof. Barney Harris)

Oxford University Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. I love Emily to bits but she can be annoying sometimes. When she signed me up for the school play I could have killed her. If she wasn t already dead that is .Gaby knows Emily is gone and that she will never see her again. Then Emily appears one day as Gaby s very own Guardian Angel and life is (almost) back to normal! With her best friend by her side Gaby s life is a whirl of fab sleepovers, makeovers, and parties with mates. Gaby can t imagine ever saying goodbye to her Guardian Angel but with Emily s help she begins to see that life is full of possibility, and that the most amazing friendship might be just around the corner.
