Reviews

It is one of my personal favorite publications. It usually fails to charge an excessive amount. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SPCK Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Often in detective stories, a seemingly irrelevant detail is the essential clue to solving the mystery. Tom Wright suggests that the writer of John s Gospel had a similar idea in mind; nothing is there by accident. All the details in this most profound of the Gospels work together to tell an amazing story and reveal an astonishing secret: nothing less than the story of God and the world. These twenty-six studies on John show us not just the story of one character in one place and time but the Creator God acting in a new way within his beloved creation.
