## SPITTING BLOOD: THE HISTORY OF TUBERCULOSIS (PAPERBACK)

Oxford University Press, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Tuberculosis is characterized as a social disease and few have been more inextricably linked with human history. There is evidence from the archaeological record that Mycobacterium tuberculosis and its human hosts have been together for a very long time. The very mention of tuberculosis brings to mind romantic images of great literary figures pouring out their souls in creative works as their bodies were being...
