The Ego Matter: About the Importance of Autonomy for Realizing Your True Self (Scholarly Articles, Vol. 7) is an extensive personal guide manual helping the reader to become aware of their unique soul values. The author came to call our unique power potential primary power or self-power at first, before he introduced the term soul power. The guide not only explains what soul power is, how it can be developed and strengthened, but also what stands in the way to developing it. The author explains that the main obstacle to developing soul power is parent-child codependence and emotional abuse, that the author sees as a form of addiction and which he calls symbiotoholism. After more than twenty years of research on emotional abuse, the author sees the primary etiology of parent-child emotional entanglement, and the fusional entanglement of people with groups and organizations in lacking tactile care of mothers for their infants, and later on, the refusal to grant adolescents a sufficient amount of autonomy to develop their psychosexual love map and gather emosexual experience. When we grasp the notion of autonomy, we see that all human growth has a destination-and that is why we say we have a destiny. The destination of youth is not to remain young, but to grow old. The destiny of a child is not to remain in childhood but to grow out of childhood. Building soul power requires to discover one's self, to build a genuine identity. The author shows that building a genuine soul identity is done through discovering our innocence, realizing our primary power, developing our soul reality, accepting our marginality instead of striving for conformity, recovering and...
