Reviews

Absolutely among the best book We have ever study. It is actually writter in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.
(Kristina Rippin)

MULTILINGUAL AMERICA: TRANSNATIONALISM, ETHNICITY, AND THE LANGUAGES OF AMERICAN LITERATURE

[DOWNLOAD](#)

NYU Press. Paperback. Condition: New. 416 pages. Dimensions: 10.0in. x 7.0in. x 1.1in. Aside from the occasional controversy over Official English campaigns, language remains the blind spot in the debate over multiculturalism. Considering its status as a nation of non-English speaking aborigines and of immigrants with many languages, America exhibits a curious tunnel vision about cultural and literary forms that are not in English. How then have non-English speaking Americans written about their experiences in this country And what can we learn-about America, immigration and ethnicity-from them Arguing that multilingualism is perhaps the most important form of diversity, Multilingual America calls attention to-and seeks to correct-the linguistic parochialism that has defined American literary study. By bringing together essays on important works by, among others, Yiddish, Chinese American, German American, Italian American, Norwegian American, and Spanish American writers, Werner Sollors here presents a fuller view of multilingualism as a historical phenomenon and as an ongoing way of life. At a time when we are just beginning to understand the profound effects of language acquisition on the development of the brain, Multilingual America forces us to broaden what in fact constitutes American literature. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
