Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A black plague has landed on the doorsteps of low income black neighborhoods, and black men have been the major targets. What are we missing here? Why can't we see this? Who truly gives a damn about black life? These cowards and racists have aligned and joined forces. Not against true crime, but against you, my black brother and sister, and we're too damn distracted amid our demise to educate ourselves on how to combat it. Who ushered in this black plague? Has it always been here, but hidden in plain sight. Has it been dressed up to give us the false belief that we're protected when we're actually being put to death? And the genius part of it all is that they've created a war between black people, which has allowed the hunter to set up camp in our neighborhoods and place us under siege to cruel and ravishing destruction. A...
