Permuted Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The zombie apocalypse never stood a chance--because it began in New Jersey. It has only been a couple of weeks since the events of Exit Zero, yet in the Garden State, life goes on as usual--except it s with zombies. The state is still sealed off from the rest of the nation, but those trapped inside have learned to adapt and overcome. President Callahan and the Post Conflict Restoration Corp are firmly in charge at the new Cape May, New Jersey based White House. A new mutation has emerged targeting those that have survived infection of the Skell virus without reducing them to the whole flesh eating, brain melting, stomach transforming into a brain thing. The Virus Infected Non-Necrotic Individuals(VINNI s) appear as if they are just a more physically fit version of you or me, but they are now biologically different and for unknown reasons are highly sought after by Post Conflict Restoration Corp . The remainder of the Sullivan brothers are trying to find their own way in this new world. The prepper Ivan and his assassin wife Marifi are on the run and Gary Ragu is taking action to head the Jersey mafia. Dr. Woody has found new allies in his efforts to right the wrongs caused by his Modified Embryonic Animal Tissue (M.E.A.T), but can he trust them? Welcome to Nuke Jersey, the future of America--and possibly the world.
