Reviews

Great eBook and useful one. We have go through and i also am certain that i am going to likely to read through yet again once more in the foreseeable future. Your lifestyle period will likely be transform once you comprehensive looking over this book.
(Carter Haag)

A CARRIER AT WAR ON BOARD THE USS IKITTY HAWKI IN THE IRAQ WAR

Potomac Books Inc. Paperback. Condition: New. 272 pages. Dimensions: 8.6in. x 5.5in. x 0.7in. What distinguishes Richard F. Millers *A Carrier at War* is its focus on individual officers and sailors and shipboard morale as distinct from the usual bomb and bullet reporting. The USS Kitty Hawks mission paralleled the tortuous course of events leading up to the Iraq War. Originally stationed in the northern Persian Gulf to enforce the Southern No-Fly Zone, the Kitty Hawk became one of the lead elements in the campaign to shock and awe the Iraqi armed forces, from the moment her battle group launched twelve of some forty Tomahawk cruise missiles in the first effort to kill Saddam Hussein to the round-the-clock sorties of fighter jets launched from her deck once hostilities began. The author, who was present before, during, and after the beginning of the war, interviewed the ships captain, chaplains, aviators, the ship psychologist, doctors, the dentist, and the chief of security. He visited the brig, interviewed the jailors, ate with both officers and enlisted men and women, and, on the brink of war, attended both Christian and Jewish religious services. Perhaps of greatest importance, owing to his cigar habit, he spent many hours in the one place on board where the real face of life at sea can be observed-the enlisted personnels smoking sponson. Here the crew relaxed and proved honest enough to enable the author to make his most surprising discoveries about the modern military. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
