## THE 7 PRINCIPLES OF HIGHLY ACCOUNTABLE MEN (PAPERBACK)

Beacon Hill Press of Kansas City, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Good advice is hard to find. True accountability is harder. As men, it's hard to admit fault, defeat, or weakness. But the reality is we need each other. People are broken. People have shame. Shame leads many of us to believe that not even God can love us. But shame is a biblical emotion and can remind us in a healthy way that we need God in our lives. In truth, we can change. The 7 Principles of Highly Accountable Men is designed to help you do just that. Change is a process and often takes longer than you may think; for many of us it is a lifetime journey. Written by recovering addict Mark R. Laaser, and based on Scripture and the traditional twelve-step programs for personal change, this journey contains the truths of the seven habits of highly accountable men.
