iUniverse, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the beautiful town of Pistoia, in Tuscany, forty-eight-year-old Paola is preparing to meet the man who might become her lover. Married with two children, Paola is resigned to living a lonely life separate from her husband, who works in Brazil. And yet she is desperate to experience joy again. As Paola enters her potential lover's office, she faints. In a matter of seconds, her life has been transformed forever. The victim of a major stroke, Paola is robbed of her ability to speak. Trapped between reality and a timeless dimension where she lives in a world devoid of words and full of indecipherable objects, Paola soon realizes that even the clock-once used for marking days full of dissatisfaction in her life is no longer meaningful. Intent on returning to a normal life, Paola embarks on a journey in search of lost words with the help of a Cuban healing guru, a Jungian analyst, and finally a famous ayurvedic nutritionist who could help Paola change everything in her life. Paola is the poignant tale of a woman who, in the moment of her greatest weakness, must begin a quest to find the courage and inner strength she has been missing her entire life.
