They reach a point sometimes when they simply cannot produce anything worth reading. Preachers often encounter this same kind of roadblock when they attempt to prepare sermons. - William Powell Tuck With this opening sentence, Dr Tuck brings his many years of experience as professor and pastor and freely gives some nuts and bolts of sermon preparation and pots and pans essential for effective preaching. This book is not about the philosophy or theology of preaching but about preparing for, writing, and preaching a sermon. While the reader may quickly find a solution to this weeks sermon, Dr. Tuck also gives ideas and plans for long-term preparation to open a new pathway, moving sermons from a burden to a blessing for the writer as well as the intended listener.
