Mike Black returns to his past to tell the real story; the one you only thought you knew. Years before he was the boss of his family, and long before he met his loving wife, Cassandra AKA Shy, Mike Black was an enforcer for drug kingpin Andre Harmon, who ran most of the illegal activity in the area. Those days, he was known as Vicious Black, and he terrified anyone who dared challenge him or Andre s rule. As far as Andre was concerned, gambling, number running and prostitution were just side hustles compared to the real moneymaker: his drug operation. That s where young Mike Black saw an opportunity that he could capitalize on. After Black promised that he would more than triple the money that he was earning, Andre gave Black his blessing to take over. Violently if necessary!.
