

The House of Java: v.2 (Hardback)

By Mark Murphy

NBM Publishing Company, United States, 2002. Hardback. Condition: New. Language: English .
Brand New Book. A collection of short slice-of-life stories quietly but strongly etching various facets of our lives, without the cynicism. The House of Java is a coffee house where little flashes on all sorts of people that happen in for a cup. Reminiscent of the insightful work of Adrian Tomine.
