Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are many today who are realizing that typical Christianity isn't necessarily normal Christianity. Jesus Christ came to set us free from the typical so that we can experience heaven's version of a normal life on earth, life as sons and daughters of God. Immersed into God plunges you into the revelation you need to experience and express Christ, in you the hope of Glory. Andy has written Immersed Into God to guide believers into the supernatural lifestyle that only Jesus Christ makes possible so that He can impact the world through you. This book will root and ground you in the revelation of the believer's spiritual union with Jesus Christ and open your eyes to the essential connection between your identity in Christ and a lifestyle of redeeming love and supernatural power. In the process, readers are equipped to demonstrate the power and love of Jesus Christ in a variety of ways, such as healing the sick, speaking with spiritual insight, setting people free from demonic oppression, and more. Rather than stopping merely with random acts of power and love, readers are equipped to become supernatural disciple-makers capable of unleashing a new move of God. Each chapter is packed with solid Biblical teaching, real life stories, and practical activation exercises. Andy draws on over twenty years of hands-on disciple-making ministry in America, Africa, Asia, and the middle east to help believers world-wide begin to unleash the life that Jesus Christ is pouring into them. Here's what others are saying: This is an amazing book. Every new believer and seasoned leader will gain both Biblical answers and practical pointers to help release the Spirit of God to move through them...
