

The Savage Kingdom

Filesize: 4.4 MB

Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Prof. Buford Ziemann)

THE SAVAGE KINGDOM

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, The Savage Kingdom, Simon David Eden, 'Thought provoking. Original. Imaginative. The Savage Kingdom is for everyone who cares about the balanced and shared survival of animals and humans, and who loves our beautiful planet.' Virginia McKenna OBE Everyone has the potential to change the world, but some are born to do it When Drue's beloved cat Will-C goes missing, she's unaware that his disappearance is the start of the greatest global conflict the world has ever known. The animal kingdom has declared war on mankind, and now domesticated creatures must choose who to fight for: Man or Beast. Cast into a world full of danger, but determined to rescue Will-C and bring him home, Drue starts out on a quest and makes an astonishing discovery: an ancient tribe of shape-shifters, who have lived in the shadows since the dawn of time, are about to play a key role in shaping the future - but can they save mankind? And what role is Drue herself about to play? An unforgettable tale about courage, hope, loyalty, and the unbreakable bond between a girl and her cat.
