Instrumentation for the Operating Room: A Photographic Manual

By R.N. Shirley M. Tighe

Elsevier - Health Sciences Division, United States, 2015. Spiral bound. Condition: New. 9th Revised edition. Language: English . Brand New Book. A must-have manual for anyone working with instruments in the clinical environment! Instrumentation for the Operating Room: A Photographic Manual, 9th Edition provides a practical, true-color guide to today's most commonly used surgical instruments. A reader-friendly format includes clear instructions on preparation, sterilization, and setup, and goes beyond other books in showing not only individual instruments but also instruments in sets according to surgical procedure. This edition includes 13 new chapters as well as many new photographs throughout the book. Written by an experienced perioperative nurse, Shirley Tighe, this resource includes more than 1,000 photographs of instruments and instrument tips in the book and on the Evolve companion website - that's more than any other manual! Over 800 photographs in the book show both individual and sets of instruments, including whole instruments and instrument tips, to help in distinguishing between similar types. Instrument Preparation for Surgery unit discusses the importance of proper instrument handling and sterilization, including proper placement within sterilization trays. Entire unit on female reproductive surgery focuses on a key area not well covered in other books...
