

The Old Asylum: And Other Stories

By Wheeler Antabanez

Sagging Meniscus Press, United States, 2016. Paperback. Book Condition: New. Language: English . Brand New Book. Fiction. Art. The broken windows of the abandoned sanitarium are foreboding and ominous, yet darkly inviting. The inmates have long since departed, but their suffering can still be felt imprinted on the stagnant air of the empty wards. The door at the front of the overgrown madhouse has been ripped from its hinges. It would be easy to cross the threshold, yet we hesitate to enter. Having spent a lifetime exploring the long-abandoned Essex Mountain Sanatorium and Overbrook Psychiatric Hospital in Northern New Jersey, Wheeler Antabanez, artist, writer, and intrepid explorer of New Jersey's abandoned and defiled places, is uniquely qualified to open doors at the Old Asylum that no one even knew existed. In these stories, illustrated with remarkably evocative paintings by the author, the broken hulk of the abandoned mental hospital comes vividly back to life, reanimated by a spirit of risk-taking, transgressive adventure, macabre humor, and the author's comprehensive artistic and personal mission to create from the ruins of our collective past an imaginative, vibrantly living whole. The book contains reproductions of a series of paintings by the author.
