

Tripping with Allah: Islam, Drugs, and Writing (Paperback)

Filesize: 8.12 MB

Reviews

Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.

TRIPPING WITH ALLAH: ISLAM, DRUGS, AND WRITING (PAPERBACK)

SOFT SKULL PRESS, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. If Tripping with Allah is a road book, it s a road book in the tradition of 2001: A Space Odyssey, rather than On the Road. Amazonian shamanism meets Christianity meets West African religion meets Islam in this work of reflection and inward adventure. Knight, the Hunter S. Thompson of Islamic literature seeks reconciliation between his Muslim identity and his drinking of ayahuasca, a psychedelic tea that has been used in the Amazon for centuries. His experience becomes an opportunity to investigate complex issues of drugs, religion, and modernity. Though essential for readers interested in Islam or the growing popularity of ayahuasca, this book is truly about neither Islam nor ayahuasca. Tripping with Allah provides an accessible look into the construction of religion, the often artificial borders dividing these constructions, and the ways in which religion might change in an increasingly globalized world. --Publisher s website.
