A SEASON OF DIVINE LOVE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.A SEASON OF DIVINE LOVE (2016) is a collage of mythology, landscape, human emotion, and philosophy of spatial love and eternity that often celebrates spiritual songs and union of cosmic bodies. The collection offers a subdued spiritual journey of Krishna and Radha's staunch leela that engrosses many folds of divine love and lays out a spatial space ever, where every soul dissolves and then fades away in a celestial state. The book of love poetry is a collection of forty love poems in blank verse where the resonance and tone of love is set in local and remote. There is much interplay in between the spatial and static, and limpid layers of consciousness where an inherent tone of loss at physical world is fulfilled over submission of souls. Our souls are oblivion and our love never perishes though our physical bodies in flesh and blood are succumbed to death. Our love endures and survives every change; it is a rendition of earth, water, ether, air and fire.
