

Wine for the Quick Study - No Dummies - No Idiots (Paperback)

By Scott A Rossell

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Like all of the titles in the Quick Study series, this book provides you with the knowledge and terminology to look and sound like a seasoned, experienced pro. You will quickly learn everything you need to know about how to buy wine, how to open a wine bottle, how to properly pour and drink wine, how to store wine, and how to score wine for yourself using an easy, tried-and-true system. With your newfound knowledge, you will be able to confidently attend wine tastings, thoroughly enjoy vineyard tours and have commanding control over any restaurant wine list. You will know each and every step of wine growing (viticulture) and wine making (vinification). And you ll have a solid foundational understanding of the seemingly endless list of grape varieties, wine blends, regional wine names, marketing wine names, and even a bit of useful history. Learn the dos and don ts of wine tasting. Learn how to be a savvy wine shopper. Be completely confident when ordering from a restaurant wine list. Know how to read a wine label. Know the equipment...

Reviews

This book can be worth a read, and far better than other. I could comprehend every little thing using this published e pdf. You can expect to like how the blogger publish this pdf.

-- Rylee Funk

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.
