Transworld Publishers Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. No Shitting In The Toilet is named after a sign Peter Moore saw on the door of the lavatory at Jack s Cafe in Dali, Yunnan Province, in China. It s a sign that encapsulated his travel philosophy: that things never quite turn out as you expect. You end up in situations that defy logic, rational thought and, quite often, general well-being - and yet you have a brilliant time, not in spite of these situations, but because of them. And this is the philosophy behind this book and the reason why it isn t really a normal travel guide. The first is your parents having sex. The second is the state of the kitchen in restaurants catering for backpackers.). But in that sense NSITT is more in touch with the way things really are. The world of NSITT is one where you re more likely to find a cockroach on your pillow than a complimentary mint, a world where you take your life in your own hands every time you get on a bus, a world where everything goes wrong, and you still end up loving every minute of it. Based on the author s award-winning travel website,...
