Pickwick Publications, 2012. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: Public discussion about the relationship between religion and public life in Canada can be heated at times, and scholars have recently focused on the historical study of the many expressions of this relationship. The experience of Canada s smaller Protestant Christian groups, however, has remained largely unexplored. This is particularly true of Canada s Baptists. This volume, the first produced by the Canadian Baptist Historical Society, explores the connections between Baptist faith and Baptist activity in the public domain, and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs, attitudes, perspectives, and actions related to the relationship between Baptist faith and practice and public life. Haykin Professor of Church History The Southern Baptist Theological Seminary The public arena in Canada has been the scene of vigorous combats involving Baptists on social, political, and intellectual questions as well as on ecclesiastical issues. Here is a set of vivid cameos of members of the denomination contesting dominion from sea to sea. -David Bebbington Professor of History University of Stirling, Scotland Building on a generation of Canadian Baptist and Canadian Religious historical scholarship, this fine volume of essays develops a more nuanced and in-depth look at some key issues and Baptist leaders...
